- ***Discussion of Recommendation by the POW Board of Directors:***
 - *Week of October 19th*
- ***Finalize contract and begin work:***
 - *Week of November 2nd*

HCR 38

“BE IT FURTHER RESOLVED that the Task Force shall issue a report examining the feasibility of increasing the Port’s capacity for expansion, including the potential for new clients, increased jobs, agricultural products for exports, and other recommendations. This report should include potential beneficial economic impacts of the identified expansion opportunities, time needed for implementation, and any anticipated action the General Assembly may need to take.”
